

Important Event!

Summit for BME Local Infrastructure Organisations, Networks and Forums

12th February 2010
10.30 – 3.30pm

Agenda

To include:

- What are the key issues currently being experienced?
- A mapping exercise of the nature and extent of the challenges
- What support do we require from BME Regional and National infrastructure partners?
- How can we best organise mutual support and sharing strategies for survival?
- Making a strong case for the need and value of local BME infrastructure
