**D2N2 Implementation summary:**

Thematic Objective	Overview	Results
<b>3: SME Competitiveness</b>	We will support businesses to grow by ensuring they are able to access finance, develop growth strategies and improve productivity. We will provide incubation and grow-on space so there is an adequate supply of high quality premises. We will also target support at our eight key sectors – Transport Equipment Manufacturing, Life Sciences, Food and Drink Manufacturing, Construction, Visitor Economy, Transport and Logistics, Creative Industries; and Low Carbon Goods and Services.	<ol style="list-style-type: none"> <li>1) Increase in SME productivity.</li> <li>2) Increase in SME jobs created.</li> <li>3) Increase in business start ups.</li> </ol>
<b>4: Low Carbon Economy</b>	We will support the development of low carbon markets and technologies and help SMEs to adopt energy efficiency measures, including domestic energy efficiency and low carbon construction techniques.	<ol style="list-style-type: none"> <li>1) Energy efficiency increase of companies, buildings and transport.</li> <li>2) An increase in companies deploying low carbon practices, processes, service or products.</li> </ol>
<b>8: Employability</b>	We will help people back into work through intensive support, work experience, re-training and community-led approaches, as well as promoting self-employment. We will support young people by building linkages with employers, increasing the number of apprenticeships and tackling those who are NEET	<ol style="list-style-type: none"> <li>1) Number of inactive participants newly engaged in job searching upon leaving.</li> <li>2) Number of participants in employment upon leaving.</li> <li>3) Number of participants gaining a qualification upon leaving.</li> </ol>
<b>9: Social Inclusion</b>	We will provide support in targeted communities where there are high rates of social exclusion. We will support excluded groups to access training and work through specific support and anti-discrimination measures.	<ol style="list-style-type: none"> <li>1) Number of inactive participants newly engaged in job searching upon leaving.</li> <li>2) Number of participants gaining a qualification upon leaving.</li> <li>3) Number of participants in employment upon leaving.</li> <li>4) Number of participants engaged in positive activities that address barriers to work or widen participation in training.</li> </ol>
<b>10: Skills</b>	We will address skills gaps and shortages, including higher level skills, and will support more people to start and grow a business. Young people will be supported through improved IAG, higher level apprenticeships and internship and placement programmes for graduates.	<ol style="list-style-type: none"> <li>1) Number of inactive participants newly engaged in job searching upon leaving.</li> <li>2) Number of participants in employment upon leaving.</li> <li>3) Number of participants gaining a qualification upon leaving.</li> </ol>
