The Consortium

Came together to meet the primary Aims of the Building Better Opportunities Programme and to enable the VCS to actively deliver local solutions

- Locally responsive solutions adequately resourced and directed to need.
- Being inclusive and responsive to local needs
- Improving people's life chances by building better opportunities for education and employment
- Increasing VCSE sector access to European funding
- Making an impact for participants

Range of local Partners

Independent Strategic partners

- Providing local intelligence and guidance
- Identifying gaps and challenges
- Accessing suitably qualified delivery providers

Delivery networks & partnerships, example

- Financial Action & Advice Derbyshire -
organised cross sector partnership
implementing the Financial Action Strategy for
Derbyshire.

Delivery partners will need

- Appropriately qualified staff/volunteers, and meet all relevant employment legislation requirements
- A written equality and diversity policy that is understood by staff, volunteers and participants and meets current legislative requirements
- A written Health & Safety policy that meets current legislative requirements
- The requisite safeguarding procedures in place to meet current legislative requirements
- To demonstrate an interest in, support for, and promotion of, the development and furtherance of the Consortium as a whole and not merely their respective individual organisations
- Commit to providing appropriate information in a timely manner to support applications and proposals
- Be committed to providing high quality intervention and have systems in place which ensure this does not fall below a specified minimum level of performance
