builders

...ing helps Cornwall's Civil Society work strategically
...ed by the Institute network, backed by the Cornwall Infrastructure Fund
...udent funding of £10,000, from the organisations that worked
... strategically together to deliver public services

We want every
group or social
enterprise able to
access services
that meets their
need it.

www.prohelp.org.uk

- have to be aware.
- be prepared to accept change (copy of culture)
- There is a need for specialist advisors who understand the sector (Business often not able to give specialist advice to charities)
- We need Community Development workers who have capacity and specialist knowledge to support small groups
