Getting voices heard,
shaping change

Agenda & Objectives

- Setting the scene
- Learning from research
- Planning for skills and employability:
 - Understanding the role and priorities of the LLEP
- Bridging the gaps:
 - Identifying unmet need
 - Shaping provision

Who are the voluntary, community and social enterprise sector?

The majority of the VCSE workforce is female

VCSE employees are highly qualified

Fewer VCSE employers report skills gaps

Skills Support for the Workforce Survey
