

Working with the Third Sector

Lisa Vernon

Chief Executive

**Derbyshire Learning &
Development Consortium**

Who are we?

Derbyshire Learning & Development Consortium was established in 2000 to support Voluntary and Community Sector organisations across Derbyshire to develop and deliver high quality learning and development opportunities for their staff, volunteers, clients and learners.

Objective

DLDC provides information, training and support to the Third Sector on learning & development policy, practice and quality assurance to enable them to engage fully with the learning & skills agenda.

What do we do?

- Representation
- Contract Management
- Workforce Development
- Tutor Development
- Accreditation Centre

- home
- working together
- regional profile
- funding in action
- success stories
- regional partners
- contacts

Working as one to enable the development and delivery of learning and skills through voluntary and community sector organisations in the East Midlands

A proactive partnership between VCS Consortias in the East Midlands region

What is the Third Sector?

- Organisations that are not 'Private' or 'Public' Sector
- Motivated by social, environmental or cultural objectives rather than profit
- Reinvest surplus to further those objectives

Community Development

- Working with community groups
- Delivering learning in the community
- Involving your local community
- Offering Community Development training
- Addressing community issues

Community in Context

- Independent Commission on Colleges in their Communities
- More Challenges, More Choices
- Community Development Foundation
- Making Prison Work
- Open Public Services

THE WAY TO PROSPERITY.

October 1931, John Cassel

The Economic Context

Forward Communities

- Do we value one another's skills?
- Do we know who to talk to?
- Do we listen to one another?
- Can we learn from one another?
- Can we trust one another?

Thank you for your time
